2021 IHBG Funding Estimate

- The FY 2021 Formula Response Form, which includes the estimated 2021 funding, was made available on June 1, 2020. However, due to the COVID-19 pandemic, HUD is posting the following information on-line at: <https://ihbgformula.com/fy2021/> instead of mailing copies.
- If you have trouble accessing a copy of the 2021 funding calculation and estimate for your housing entity, please contact us directly.

2021 IHBG Interim Funding

- Usually final appropriations for HUD programs are not enacted by the start of the FFY.
- The IHBG should receive limited funding available under the Federal appropriations and/or Continuing Resolution (if needed).
- NwONAP will know more about this opportunity subsequent to October 1st
